No. 2

COMMERCE CHAMBER NAMES COMMITTEES

Direction of Organization Activities Divided Among Members

An adjourned meeting of the Board of Directors of the Chamber of Commerce was held Tuesday evening to continue the appointment of committees.

Six were named as follows: Jesse E. Smith and V. M. Hollister, to make a canvass of quarters available for the Chamber of Commerce and report at a meeting to be held Friday evening.

Committee consisting of W. E. Edmonds, J. G. Huntley and others to be selected, to engage speakers for forum meetings.

Committee to visit business men of the city and urge union in the matter of closing on holidays. For this work, Messrs. Campbell, Bentley and Packer were named.

Messrs. Emery Hollister and Huntley were made a committee to interview applicants for the secretaryship and arrange for the appearance before the board of those they deem available.

Equipment committee consisting of Messrs. Gregg, Smith and Newton.

Committee to audit the books of the chamber, to pass on expenditures of the chamber and make annual financial statement. This committee included Messrs. Lusby, Emery and White.

On motion of Director Gregg the chairman was instructed to appoint from the active membership a committee of five to advise him on the personnel of committees to be appointed outside of the directorate.

A motion by Director Hollister urging the appointment of a committee to cooperate with city officials in securing the removal of trees and shrubbery at the northeast corner of Brand and San Fernando road, in order to provide a clear view of the boulevard, was not acted upon. The motion included a suggestion to replace the shrubbery removed, with other plants which would not obstruct the view.

A program of projects to be promoted by the chamber was adopted, the board deciding to give the question of increased school accommodations first place on the program.

The chairman of parks project was named to represent the board at a meeting of the Pasadena Park and Playground Association, March 17.

The board decided to have a forum every Wednesday noon, Messrs. Kent, Hollister and Huntley being named as a committee of arrangements. It also decided to hold noon meetings of the directorate weekly, at the high school until further notice, the board to guarantee an attendance of twelve at 50 cents a plate.

The board adjourned to meet again Friday evening, March 4, to consider candidates for the secretaryship and other matters of business.

K. OF P. LODGE HAS UNUSUAL MEETING

Members of the local K. of P. Lodge met Tuesday evening at their lodge headquarters at Brand and Park avenue. It was a session of special interest because of being the official visit of the supreme representative, Robert G. Loucks of Los Angeles. There was a good representation from Van Nuys lodge present, also delegations from some of the Los Angeles lodges. Mr. Loucks made an excellent talk on Pythian service and a talk along the same line was made by Mr. Butts of Milwaukee, head of the insurance department for the State of Wisconsin. W. C. Wattles and others present were also called upon.

Following a short business session, a banquet was served by members of La Halla Temple. Music was furnished by five musicians who are regarded as the nucleus of the band the lodge expects to organize.

The names of quite a large class of applicants for membership will be presented at the next meeting. The lodge, which was warmly congratulated on its improvement, is growing rapidly, and expects to double its membership this year.

INFRACTIONS OF THE LAW

Charles Wood of the Grand View District, reported to the police last night that his motorcycle had been stolen from his home.

Two well-known picture stars were nabbed yesterday within 10 minutes of each other, speeding up Glendale avenue at over 43 miles an hour and will appear before Judge Lowe Friday.

MASS MEETING THURSDAY

Remember the school district mass meeting at Intermediate School Thursday evening.

CHAMP CLARK CRITICALLY ILL

(By International News Service) WASHINGTON, March 2.—The condition of Champ Clark, who is critically ill here, was unchanged this morning. The ex-speaker had a bad spell last night, but rallied.

C. E. DISTRICT EXECUTIVES MEET

Entertained at Home of Newly Elected President, Miss Carol Duncan

The Glendale District Christian Endeavor Union held its executive meeting on Tuesday evening at the home of the newly elected president, Miss Carol Duncan, 1607 San Fernando road.

Plans were made for the work of the Glendale district for the coming six months and a good part of the evening was spent in talking over ways and means of getting the young people of this district to attend the Los Angeles County C. E. Convention, March 18 to 20, when the district is to boost for the coming state Christian Endeavor convention to be held in Glendale, June 25 to 29. After disposing of the business, the young people gathered around the piano and sang the Glendale songs which will be sung at the Whittier convention Saturday evening, March 19, by the Glendale Endeavorers, inviting the state Endeavorers to our city in June.

Delicious refreshments were served by the hostess and the young people departed for their various homes.

The newly elected officers of the district are: President, Carol Duncan; First Vice-President, C. C. Stoller; Second Vice-President, Lowell Donnell; Secretary, Fern Peters; Treasurer, Cyrus Galley; Pastoral Counsellor, Rev. O. P. Rider; Missionary Committee, Harry Marple; Social Committee, Mrs. C. C. Stoller.

BIG TANKER LIEBRE AGROUND IN FOG

(By International News Service) SAN FRANCISCO, March 2.—Although reported in no immediate danger, officials of the General Petroleum Company today anxiously awaited further word from Captain Camperon of the new 12,000-ton tanker Liebre, which went ashore shortly before midnight on Anacapa Island in the Santa Barbara channel. The Liebre was on her maiden voyage from San Pedro to Seattle, carrying 76,000 barrels of oil, having been launched at San Francisco only last December.

According to meager advices received here, the big tanker was aground in a heavy fog. She is being towed by tugboats, but tug is being sent to her aid from San Pedro and should her plight become serious, several vessels are within a short distance of the scene of the accident.

Mr. Goodwin was in his 71st year. He was a native of Ohio, but had lived since his boyhood in Peoria, Illinois, until 1907, when he and his family came to make their home in Glendale, where they have resided ever since. He was well-known and highly respected in the old Illinois home where he lived for so many years, and where he had prominent and influential family connections.

Mr. Goodwin was a man of most exemplary character. He was keenly interested in civic affairs, and took an active interest in political matters in his eastern home. Since coming to Glendale he has also been interested in all movements for the good of the town, although not actively so, on account of failing health.

Many friends in Glendale mourn his passing, and sympathize with his wife and sons in the loss of a good husband and father. Besides the widow, Mrs. Isabel Goodwin, four sons survive him: Ray and Harry R., who reside at the family home, Lee, the eldest son, whose home is in Los Angeles, and Roy, of Boise, Idaho.

Funeral services will be held at the Little Church of the Flowers tomorrow afternoon at 2 o'clock and interment will take place in Forest Lawn cemetery.

Ladies' Aid Society of the Central Avenue Methodist Church enjoyed a social afternoon Tuesday at the home of Mrs. M. E. Blythe at 126 East Garfield. About 32 were present, and after the allotted time had been devoted to the sewing of carpet rags, Mrs. Richards gave several entertaining readings, charades were played, and refreshments were served by the hostess and an assisting committee, which included Mrs. S. E. Daugherty, Mrs. Calkins, Mrs. Muhleman, Miss Goodsell and Miss Josephine Cox.

Sunset Canyon Country Club Locates Near Glendale

A real mountain and canyon club, with miles and miles of wonderful canyons wooded with live oak, sycamore and holly, and watered by perpetual cold spring flowing out of solid rock, coursing through the 1213 acres of the property—this is the realization of the dream of the organizers of the Sunset Canyon Country Club.

Sunset canyon is in the Verdugo mountains, between Glendale and Burbank. It is one of the most beautiful mountain and canyon properties in the State. Throughout this vast tract of land, one mile wide by two miles long, are hundreds of the most beautiful mountain biking lead in every direction. There, far from the madding crowd, club members may build their cabin home sites, while trails for summer homes, where their families may pass their vacations and where they themselves may enjoy with friends their week-ends and their vacations, summer or winter, at practically no expense.

At a prominent point near Olive avenue and Eleventh street, Burbank, there will be erected a beautiful clubhouse, designed by H. H. Whiteley, noted Los Angeles architect, designer of the California Golf Club house and other prominent buildings, who says this clubhouse surpasses in beauty of architecture and design any of those heretofore constructed. This clubhouse will cost \$75,000.

Commensurate lounging rooms, card and billiard rooms, bowling alleys, large dining room, a ladies dining room, and a music room are some of the important features of the clubhouse. The second floor will be given over to sleeping rooms for the accommodation of members and their guests. The house will follow the Spanish mission style of architecture.

There will be a children's playground with a spacious log cabin in the center. Tennis courts, a swimming pool and a gymnasium are other important features in the plan.

Water has been already piped through the property so that connections may be made to serve the cabins that will be built by the members. Electricity is also available.

One of the great advantages of this

beautiful club resort is that it is within an easy 35 minutes' ride from the center of Los Angeles, on paved highways, by several roads which read directly to the property.

An attractive feature of the Sunset Canyon Country Club is the fact that its membership is within the means of people of moderate circumstances. The membership fee at present is \$60; it will be increased later at the discretion of the governing board. The monthly dues for the first year will be \$1.35; later they are to be reduced so as not to exceed 80 cents a month. It is planned to keep the membership fee at the above figure until the building of the clubhouse is begun. It is likely that the membership fee will then be raised to \$1.00 and that it will be \$500 when the clubhouse is finished. The membership fee includes a cabin site where each member may build his cabin home, if he so desires.

The golf course will be designed by William Watson, designer of many of the finest golf courses in California as well as in other parts of the United States, so that it goes without saying that it will be a really sporty golf course. The course has already been surveyed.

Sunset Canyon Country Club has nearly 1000 members, more than 100 of whom are Glendale residents. The club maintains offices at 1230 Marsh-Strong building, Los Angeles. A. E. Howell, where the Glendale representative, E. J. Judah, president of Sunset Canyon Country Club, is well known throughout California as an astute business man, under whose guidance the club has not only attained the realization of its plans, Mr. Judah holds a life membership in the Los Angeles Athletic Club, is a member of the Jonathan Club, the Ad Club, the City Club, president of the Commercial Board of Los Angeles, vice president of the Gamut Club, and has served twice as president of the Merchants and Manufacturers' Association of Los Angeles.

S. T. Allen, former owner of the property and one of the organizers of the club, is its secretary.

MANY NEW MEMBERS OF DYNAMOS CLUB

Nominating Committee Appointed at Business Meeting at Meeker Residence

Members of the Dynamos Club of the Glendale Presbyterian Church held their regular monthly business meeting on Monday evening at the home of Warren Meeker, 1320 East Colorado street. A number of new members were initiated into the club which now numbers about 65. Among other matters of business the nominating committee was elected to choose the officers for the coming term. As a special treat, the club enjoyed a talk on salesmanship by Jesse E. Smith, local representative of the Ford Motor Car Company.

After the business session, special music was rendered by Del Mar Wheeler, and a social time was enjoyed. Delicious refreshments were served and the meeting closed with prayer.

KITCHEN MAID GIVEN MISS LUSBY

Novel Presentation of Shower of Bride at Home of Mr. and Mrs. Kuehny

Last Saturday evening the members of the First Methodist Choir enjoyed the hospitality of Mr. and Mrs. Kuehny, 368 West Doran street.

The occasion was a desire to honor Miss Margaret Lusby, who is soon to become the bride of Mr. Harold Latter of Oakland, Cal.

The event of the evening was a mock wedding, in which the "bride" was dressed to carry out the idea of a "kitchen shower." Her dress was made of tea towels, with a V neck formed by a copper pot cleaner. She wore a chain from which hung a tea ball, a lavalier, a sink scraper for a brooch, a small cookie cutters for earrings, a jar opener for a bracelet, and a dish mop for the girdle. The bridal veil was three yards of curtain material held in place by a small funnel and a cream dipper. Her wreath was made of small red radishes. She carried a "wonderful" bouquet—a large funnel filled with kitchen utensils with string streamers on which hung pepper and salt shakers, can opener, breakfast bell, sugar sifter, clothes pins, etc.

To the strains of "Here Comes the Bride," played by the church organist, Mrs. Harriet Randall, the "bridal party" took their places before the mantel. After the marriage ceremony especially prepared for the occasion by Rev. Dr. Crist, the "bride" presented her bouquet and entire "wedding" outfit to Miss Lusby. The principals in the wedding party were: Ring-bearer, Mrs. Kuehny; bridesmaid, Miss Ada Salstrom; best man, Miss Isgrig; bridegroom, Professor Kuehny, and the bride, Miss Clara Midcall.

Games in charge of Miss Alice Look-abough, and refreshments served by the men of the choir completed the evening's fun, at the close of which Miss Lusby was again surprised with another gift from the choir, an electric grill.

Miss Lusby has been "unfurling" her efforts in the musical work of the church, willingness and cheerfulness being her outstanding characteristics, all of which is fully appreciated by her fellow workers.

DAMAGED

FEDERATION OF MUSIC CLUBS

To Offer a Prize of Twenty-Five Dollars For Best Words for State Song

The California Federation of Musical Clubs, a co-ordinate branch of the National Federation of Musical Clubs, has the following announcement to make:

The national organization has worked the past 28 years for recognition of American music, given prizes for American compositions and given composers' work a hearing, assisted the young professional artists, through state, district and national contests, entertained the soldiers in the cantonments during the past war and given them thousands of instruments, done more than any other organization to establish credits for music in the schools, and is now organizing junior and juvenile clubs of students from the grammar and high schools.

Appreciation of Music

The children of today are the adult audiences of tomorrow and the Music Federation is trying to teach the American public that there is no better way of seeking to lift the average appreciation of music and to develop the cultural side of the American people than by forming these junior and juvenile clubs and teaching the young people to like the best in music and art and to retain their interest in music after leaving the schools. Music students often find their lessons flat, with no opportunity to share their joys and accomplishments with others. A well-organized and well-conducted club furnishes just the stimulus needed to carry the work along. The National Federation of Musical Clubs has issued books of special programs for these clubs. Mrs. Frances Elliott Clark of Philadelphia is author of these programs and they may be obtained from the state chairman of education, Charles Wakefield Cadman. The boys and girls conduct their own meetings, which gives them practice in parliamentary proceedings. The aim of the junior and juvenile music clubs is to reach as many young people as possible, in an effort to encourage them in developing and expressing a love, understanding and appreciation of music and its sister arts, drama, literature, painting and the dance. These clubs will be a source of much profit to those who participate in the work and of much delight to the parents and teachers who realize the value of socializing the study of music. Music and music lessons become the most important part of the play and communal life of the child. There is immediately a reason and purpose for diligent practice for "does not the club want me play something special for a special program?"

Prizes Offered

The California Federation of Music Clubs also announces that it will give a prize of \$300 for the best chamber music work: Trio quartet or quintet for strings and piano, in three or four movements, written by a California resident composer. Two things are absolutely necessary. First, that the best, most experienced writers of music among our California composers enter the competition. Second, that there be a rigid adherence to the highest standard of excellence in the bestowal of awards. Therefore, the committee of American music of the California Federation of Music Clubs feels justified in stating that, unless the manuscripts meet the requirements of a prize composition as to excellence and superiority and the awards will be withheld. This decision is made only to inspire our composers to greater and finer work and to place the composition above question.

The competition is only open to composers who have been residents of California for at least one year and who are citizens of the United States. The prize composition will be published and given a public hearing at the fourth annual convention, 1922. For further information as to conditions address L. E. Behrmer, director philanthropic department, Philharmonic Auditorium Building, Los Angeles, or George Edwards, state chairman, American music committee, 1453 Wilard street, San Francisco.

The judges will be chosen from among the most prominent persons in musical life. The composition submitted must not have been published nor have received public performance.

The California Federation of Music Clubs also offers a prize of \$25 for the best words submitted for a state song. The librettist must be a citizen of the United States and a resident of California for at least one year to be eligible. The prize poem will later be offered for a musical setting and a prize of \$50 offered for the best setting for the state song. The poem should be in the hands of the committee not before August 1 and not later than September 1.

THE BOOSTER AND HIS BOOST

Dr. Robert Schuler Tells Chamber of Commerce to Put Spirit in Building

About 75 members of the Chamber of Commerce assembled in the banquet hall of the First Methodist Church Tuesday at 12:15 o'clock for the weekly forum. After a very good dinner had been enjoyed, for which the guests gave a vote of thanks to the ladies of the First Methodist Church who were responsible for preparing and serving it, C. C. Cooper, president of the chamber, called the meeting to order and introduced the Rev. W. E. Edmonds as toastmaster. He quoted an article in the Dearborn Independent on civic obligations and recommended that all his hearers read it. He spoke of his long residence in Glendale, during which he had observed the rise and fall of chambers of commerce, and urged the necessity of standing unitedly behind the chamber as now organized.

Dr. Robert Schuler, pastor of the Methodist Church South of Los Angeles, was then introduced and gave some amusing incidents of his boyhood and of the lessons he had learned from game cocks. He said he had learned to ask the Lord to give him some of the game spirit. His theme was: "The Booster and His Boost." He admitted he didn't consider it necessary for any man to come from Texas or anywhere else to tell Californians how to boost, "for of all the boosters I ever met, you men outboost them all. If you would put a syphon into the Pacific Ocean and such as hard as you Californians blow, you would have enough water to float a fleet of battleships in Los Angeles inside of 48 hours."

"I despise a knocker. He is always a dangerous element in any community. He is always an egotist who believes the whole community is wrong. He is like Pat, whose mother turned out to see him march by with his regiment on the way to the ship that was to take him to the front. Pat's march was different from that of all his comrades. 'Look!' exclaimed his mother. 'Pat is the only man there that has the right step.' And in every organization you will find the knocker who thinks he is the only man who has the step and who can never see another man's position. But to be a too enthusiastic booster is almost as disastrous as to be a knocker. I do not want to be classed as either an optimist or a pessimist. I would rather be classed as an inquiring optimist who believes that if I and my neighbor and his neighbor combine to put all we have into the community we can make our community and our State the most wonderful part of the world."

He spoke of California's effort to solve its Japanese problem and referred to a community of his acquaintance which was once all American and is now all Bohemian in the sense that Bohemians and their descendants now occupy the lands once tilled by Americans and Bohemian ideals have supplanted American ideals. They have been Americanized only to the extent of learning to participate in American privileges and institutions. If the Japanese come in and till the California land and rear families of ten and twelve children, their dominance of the country in the course of a few generations is certain, he declared, unless Americans right-about-face and go back to the soil and to the rearing of American children, and discover some method of disqualifying the Japanese from citizenship until several generations have been born in this country. Said he: "One of the crimes of this age is the barren American home. We need sons and daughters with American ideals." (Applause.)

Dr. Schuler closed by urging his hearers to remember that the churches and the things the churches stand for are vital to any community and in building for the future a chamber of commerce must work hand-in-hand with the churches. His rapid utterance, vim and enthusiasm, his homely speech filled with Southern colloquialisms and marked at times by the Southern accent and drawl captivated his audience, which showed its appreciation by frequent applause.

PROVING THE NEWSPAPER

"Pat," said Bridget, "what kind of a bird have you brought home in the cage?"

"Well, it's a raven," replied Pat. "A raven? And what did you bring home a bird like that for?"

"Well, I read in the paper the other night that a raven had been known to live for three hundred years. I don't believe it, so I'm going to put it to the test."—Pittsburg Chronicle-Telegraph.

CHEERING NEWS

An epidemic of scarlet fever is reported, but the outbreak of measles shows signs of abatement.—London Opinion.

GLENDALE RED CROSS PROGRESSES

Excellent Reports of Contributions to European and Near East Relief

The recent directors' meeting of the Glendale Chapter, American Red Cross, held in the office of Ezra Parker, was held of great interest to those present. The report of Mrs. Arthur C. Brown, chairman of home service, outlined the work of that department very completely. She stated that an article in the February Red Cross Bulletin entitled, "Red Cross Work With Peace Time Military Force," gives an excellent idea of the scope of the work assigned to the home service department.

The Glendale Chapter contributed to the European Relief Fund, and also sent a number of layettes to the Near East relief organization.

Those present at the meeting were Mrs. W. W. Worley, vice chairman, who presided in the absence of Mrs. H. E. Bartlett; Mrs. Lillian Dow, Mrs. C. M. Crist, John W. Uilston, Mrs. C. Bullard, Mrs. Hartley Shaw and Mrs. John Robert White.

INSPIRING ADDRESS BY DR. GRENDEL

Dr. and Mrs. C. M. Crist had a full day Monday. They attended the Union preachers' meeting at the Y. M. C. A. in the morning, where they had the pleasure of hearing Dr. Grendel, the great Alaskan missionary, give an inspiring address. At noon they were guests at the Church Federation luncheon, where Dr. Grendel was again the speaker, treating his subject this time from a different but equally interesting angle. In the afternoon Mr. and Mrs. Crist motored to La Verne to visit the David and Margaret Home.

Boston employees 1000 women in its banks, a large proportion being expert clerks, in all departments of the institution.

PHILOSOPHY OF LEE THOMAS

Expounds His Views of Permanence of Mind in Neatly Printed Pamphlet

An attractively printed and bound pamphlet entitled, "Mind, Life and Power," the Three Synonyms, has reached a few of the friends of Lee S. Thomas of this city, and conveyed to them the essence of his philosophy of being. In this monograph he sets forth in diverse illuminating ways the truth that back of all accomplishment is mind, indestructible, eternal. In it he says: "What effect death has upon our minds, if any, no mortal can tell, but the Kingdom of God is at hand; it is here, and can be found without death. Death belongs solely to mortality and life is probably unaffected by it. Spiritually we are omnipotent. Mind is life. We must find ourselves." Mr. Thomas is an attorney at law who was originally admitted to practice in Minnesota in 1887 and admitted in California December 4, 1920. He has resumed the practice of law and will continue his offices at 123 North Brand boulevard, where his son, Guy, who is associated with him, will carry on the real estate business started by the father. Mr. Thomas is thoroughly experienced in legal work, having practiced for 25 years in Minnesota and for seven years in Oregon.

CONCRETE-STEEL BRIDGE FOR P. E.

The new steel and concrete bridge which the P. E. is building to span the Wash is approaching completion and it is thought cars will be running over it in less than a month. The north abutment, with a bench at the top to hold the great steel side beams, is completed, as are the two center piers. Work is progressing fast on the south abutment. A great mound of sand for making the concrete blocks the east roadway of Brand highway and the bridge supports the concrete mixer and big derrick.

SUNSET CANYON COUNTRY CLUB PLANS BEAUTIFUL CLUBHOUSE WITH MANY UNIQUE FEATURES

Aims and Objects of the Club

The organizers of the Sunset Canyon Country Club, with offices 1230 Marsh-Strong Bldg., Los Angeles, have formulated plans for one of the most unique country clubs in the United States. The property contains about 1217 acres and is situated in the Verdugo Mountains between Glendale and Burbank.

In addition to a magnificent clubhouse, designed by H. H. Whitley, one of Los Angeles' most noted architects, famous for his many Mission design homes in Southern California, probably the most unique feature of this club is the cabin site privilege allowed each member.

The club is purely social and athletic, there being provision made for golf, tennis, swimming, hiking as well as horse-back riding. The golf course has been designed by Mr. William Watson, the designer of the Chicago, Detroit, Boston and California Country Club links. Mr. Watson says that of all the golf links he has designed, the Sunset will be the sportiest of them all.

The Club House

The clubhouse is to follow the Spanish Mission style of architecture. The central portion of the building, which will be 100 feet by 50 feet, will be used as a ballroom or lounging room, while the left wing will be devoted to card rooms, music room, private and main dining rooms, serving pantries, kitchen with ladies' lockers in the basement. The right wing will be used for pool and billiards, bowling allies, smoking rooms and grill with the men's lockers in the basement. The upper portion of the building will be provided with sleeping rooms for members and their guests. Wide verandas will extend along both wings of the building, giving a broad outlook over the mountains, the golf course and many miles of the beautiful San Fernando Valley.

Cabin Sites Allotted Members

Each Member Will be Allotted a Cabin Site

provided he builds upon it. The location of these sites will depend upon the amount of money a member will invest in the cabin, the size of the lots being ample for a cabin of several rooms. Upon moving away or leaving the club a member will have the right to transfer his cabin to another member or his membership and cabin to an outsider who is acceptable to the membership committee. There will be a small charge made for electricity, water, fuel and any county or state taxes assessed, but no charge for the land as the monthly dues will cover this item. Water has already been piped the entire length of the canyon and merely needs connection to serve the cabins.

A Children's Playground---Other Features

Trails will be built to the highest peaks where deer lodges will be erected and camps established at various points. These trails will be used for horse-back riding as well as hiking. The view from these peaks is beyond description. One can see the entire San Fernando Valley, as well as Los Angeles, Hollywood, Universal City, Fullerton oil fields, the ocean and on a clear day Catalina Island.

A CHILDREN'S PLAYGROUND WILL BE BUILT

in the "Indian Village," which is situated about 300 yards from the mouth of the canyon. This playground will contain toboggan slides, swings and many other amusements necessary for the entertainment of the kiddies while parents are golfing, hiking or entertaining at the clubhouse. Capable lady attendants will be in charge at all times.

A commodious log cabin will be erected in the center of the children's playground where tea will be served and rest rooms provided. The present natural beauties of this spot will be maintained as near as possible.

A large swimming pool is to be built in the rear of the clubhouse, while tennis courts and croquet grounds will be in the front of the building.

LONG TERM LEASE ON PROPERTY WITH OPTION TO PURCHASE

The lease on this 1217 acres runs for a period of 35 years and the club is given the option to purchase at any time within ten years at \$132 per acre. The dues the first year are \$1.35 per month and thereafter they are not to exceed 80 cents a month. The membership fee at the present time is only \$60.00 but will be increased at the discretion of the governing board. By the time the building is completed this fee will be raised to \$500. Anyone can see that at the end of ten years the grounds would be fairly valued at one million dollars when the wonderful growth of Los Angeles and suburban cities whose future is now assured is taken into consideration. The land holdings of this club will be from six to ten times as large as the average golf club and if the property is purchased at the end of ten years, the whole 1217 acres would cost a great deal less than the land cost of the average golf club in California at present.

Glendale Citizens Endorse Club

More than one-hundred of Glendale's leading citizens have become members of the Club and there is still an opening for others to avail themselves of the opportunity of affiliating themselves with this most unique Country Club situated right at our door.

Any others desiring further information regarding plans, etc., may cut out the attached coupon and mail to the Glendale representative,

A SELF-INTEREST PROPOSITION

Buying from our home merchants is a matter of self-interest although it helps the merchant, we are really favoring ourselves, for our money spent with Glendale merchants helps them to keep home people employed and to expand their business. Expansion of their business means a larger assortment of goods for us to choose from; it means better prices to us; it means eventually the employment of more of our home people, which in turn, means better service for us.

Larger business concerns attract more people, and more residents bring more business to Glendale, and also increase the value of property. The effects of buying at home are cumulative, and they work together for the good of the buyers even more than they do for the advantage of the merchants.

Many commodities can be purchased in Glendale as reasonably as they can outside. Some of them can be purchased for less. Where the price here is a little more, the difference is often offset by the comfort and advantage of shopping at home.

Shopping at home obviates the necessity of a tiresome car-ride (often taken standing), of the fatigue brought on by the confusion of congested streets, of crowded stores and elevators, and of delays in being served. In Glendale the store are within walking distance of most of us; we are served by courteous salespeople who know us, perhaps, as neighbors; or who are at least interested in us because we are fellow-townsmen. Goods are delivered promptly, or if we wish to take them with us, we may do so without delay.

A shopping expedition in Glendale may be accomplished without loss of time and temper, and one returns to one's home tranquilly, not feeling as if one had participated in a football scrimmage, which is the mood sometimes engendered by a shopping tour in the marts of trade in a large city.

If some things cost a bit more in Glendale—well, the dollar spent with the home merchant circulates here at home among our own friends and helps pay for school bonds, city expenses and local improvements and thus becomes a permanent asset in which we as citizens become part owners.

CITY BEAUTIFYING

What are you doing for Glendale, your home town?

There is plenty to do. To begin with, there is city beautifying. It is well to begin with that and to make much of it; for residents of a beautiful town are proud of it, and pride in it develops community consciousness and civic spirit. When community consciousness and civic spirit begin to develop in a city, then its residents have made a great step toward the development of their main object; the creating of a wholesome, happy, progressive community.

Perhaps you are the one to "start something" in Glendale. The beginnings of community consciousness and civic pride are not lacking. All that is necessary to start something is to get together, discuss the needs of Glendale in the matter of beautifying the city, decide upon certain definite objects to be worked for, organize committees to do certain things—and your city beautification is begun.

Here is a list of topics for discussion, things that have been accomplished by enthusiastic co-operation in other communities, many of them smaller and in other ways not nearly so competent to accomplish good work along these lines as Glendale is: parks, large and small; tree planting and protection; school and home gardens, improvement of public buildings, including schools and railway stations; roads, streets and sidewalks; sanitation and hygiene, including clean-up-day; sewer campaign; house fly campaign; playgrounds and recreation.

Of all of these, perhaps the ones to be tackled first in Glendale are parks, playgrounds and recreation. Of course, only one thing can be successfully done at a time. Now is the time for all good citizens of Glendale to come forward and work for parks, large and small. Many cities, some of them out neighbors, have procrastinated in the matter of parks until their growth has reached the stage where land for parks was no longer available, or has become so valuable that its price is prohibitive for parks or recreation grounds.

Long Beach failed to grasp her opportunities in this regard. In years gone by she did not think greatly enough of herself, had not the faith to vision the marvelous growth she was to enjoy. Those of her citizens who had the vision were called dreamers and their advice was not held in respect. Now she is sorry she did not buy land for small parks in various parts of the new great territory covered by her homes, that she did not keep the Salt Lake tracks off Ocean avenue, that she did not keep the view from being cut off by buildings along the ocean front, and that he did not purchase Signal Hill and make of it a great park and recreation grounds.

On the other hand, some of the smallest villages have taken their ugly, sordid surroundings, and by enthusiastic, concerted effort have changed them into beauty spots.

Glendale's ideal setting, the ready co-operation of its city council, its intelligent citizenry, its chamber of commerce, its active woman's clubs, will certainly make the work of city beautifying an assured success, once we "go to it." And the sooner "we go to it," the better.

"How to win success after forty" is the title of one of the new inspirational books. But the volume is superfluous; its formula may be condensed to one sentence: To win success after forty you gotta "work like sixty."

"As a man soweth, so also shall he reap," is absolutely true in the sense in which it was written; but it does not always apply to the pictures on the seed packages one buys every year at this season.

Rices have wings; that explains why, so many who possess hices are high-fliers.

NEBRASKANS CALLED TO JOLLY PICNIC

All who ever lived in Nebraska are invited to meet for the great annual picnic reunion, all day Saturday, March 12, 1921, in Sycamore Grove, Los Angeles. Come as early as you can and spend the day with friends. They will have county registers and headquarters, so you can find the old neighbors, even with ten thousand present. There will be a brief program, opening about 2 o'clock, but the main purpose will be to have a good time.

Several wealthy Chinese in Chicago will build a 22-story hotel which they will operate.

PHILADELPHIAN PASSES AWAY IN THIS CITY

Samuel Thomas Warfield, who, with his wife, came to Glendale from Philadelphia less than two months ago to make a permanent home here, died very suddenly Sunday evening of heart disease.

The Warfields lived at 711 North Maryland avenue. Mr. Warfield had been much impressed with the possibilities of Glendale and intended investing heavily in Glendale real estate.

Mrs. Warfield began the journey to Philadelphia yesterday afternoon, accompanying the body of her late husband to its last resting place in the old home. The Jewel City Undertaking Company had charge of the funeral arrangements here.

ASSEMBLYMAN IN STORM CENTER

Douglas White, who accompanied his father, Assemblyman John Robert White, to Sacramento, writes his mother that his father is so tremendously occupied with committee meetings and hearings it has been impossible for him to write her on his own account. Mr. White is chairman of the governmental economy and efficiency committee and is necessarily much occupied with hearings in connection with the King tax bill, which is such a storm center.

SMILES

The Press Poet Breaks Loose

A frog, a lamb and a duckling
Sallied forth to a theater grand;
How to dig up the dough,
So, that in they might go,
They were puzzled to beat the band.

Quoth the froggie at length,
"I've a green back!"
Said the lambkin, "Four quarters have I."
"And I have a bill,"
They may put in the till."
Said the duck, and he held his head high.

Now, trailing along close behind them,
Came a lone, lorn, lonesome skunk:
As he had but a scent,
Away sadly he went,
Declaring that HIS luck was punk.

Interrupting his glum ruminations,
Spoke a sardine, plethora with pelf:
"In my box you may sit;
I shan't mind it a bit!
I belong to the smell tribe, my self."

BOY BADLY HURT

Frank Marsh, the 16-year-old son of George H. Marsh, 1249 South Central avenue, has a broken leg as a result of a collision of his motorcycle with an automobile. The accident occurred at Cypress street and San Fernando Road, and the machine was driven by L. B. Boyson. He reported the accident to the police department. The injured lad was taken to the office of Dr. J. E. Eckles, where an X-ray examination revealed a bad break just above the knee.

Building Permits for February Total \$197,678

February is a little month, but it was mighty in building this year. The permits totalled nearly \$200,000, as against \$144,715 in February of last year, and \$143,783 in January of this year. And here is another point. With prices of building material of all kinds much cheaper than last year and the wages of some kinds of labor a trifle less, the record of February, 1921, would mean more than \$250,000 at last year's prices.

Following is a list of the permits issued:

C. A. Wishart, auto garage and sales building, 233 S. Brand...	\$15,000
Betz, Daniels & Borthick, brick store building, 212 E. Broadway	6,000
M. P. Harrison, 7-room residence and garage, 323 N. Maryland	6,000
N. J. Scott, 8-room apartment and garage, 543 N. Kenwood	6,000
Cole & Damerell, 2-store buildings, 113-115 W. Broadway	5,000
Frank Rhode, 7-room residence, 320 N. Brand	4,500
H. A. Michel, 5-room residence 363 Pioneer Drive	4,500
Dan Hunsberger, 5-room residence and garage	4,200
J. P. Thompson, 5-room residence, 800 Orange Grove	4,000
A. W. Holmes, 5-room residence, 616 Alexander	4,000
M. V. Conklin, 5-room residence, double garage, 450 W. Harvard	3,800
A. E. Bates, 5-room residence, cor. Sierra and Wabasso Way	3,600
Berthman Van Tassel, 8-room double house, 112 N. Cedar	3,500
W. L. Twining, 6-room residence, 1900 Canada	10,000
A. J. Melsen and E. Peterson, 5-room residence, 362 N. Harvard	3,500
J. L. Funk, 5-room residence and garage, 531 N. Adams	3,100
E. H. Peterson, 5-room residence and garage, 1410 E. California	3,000
A. A. Livingston, 4-room residence and garage, 530 Alexander	3,000
R. W. Reynolds, addition and repairs, 1230 S. Hill	3,000
Harry Gobias, 7-room residence, 1633 S. San Fernando	3,000
Pearl G. Curran, 5-room residence, 560 Riverdale	3,000
Clint Lindeman, 5-room residence, 416 Myrtle	3,000
A. C. Pert, 4-room residence, 414 Ivy	2,800
H. A. Michel, 4-room residence and garage, 524 Milford	2,800
D. W. Sibeck, 4-room residence and garage, 700 Howard	2,500
H. A. Hago, 5-room residence and garage, 1123 E. Elk	2,500
Don D. Beal, 4-room residence and garage, 411 Myrtle	2,500
Frank M. Landreth, 5-room and garage, 119 W. Cerritos	2,500
Jennie Ohlman, 4-room residence, 463 Salem	2,500
J. F. Stanford, 4-room residence and garage, 519 Myrtle	2,500
T. J. Formanach, 4-room residence, 214 S. Kenwood	2,500
John F. Gutekunst, 4-room residence, 1307 E. Harvard	2,500
C. E. Diehl, 4-room residence, 1026 Virginia Place	2,500
J. W. and Elizabeth Dowell, 5-room residence and gar., 524 Myrtle	2,000

INCREASING DEMAND FOR REAL ESTATE

Jesse Joseph, who has been conducting a real estate business under the name of Glendale Homes Company, at 203 North Brand boulevard, states that business has been excellent lately and has increased to such an extent that he has found it necessary to have help. He has therefore arranged with O. J. de Mars, who for a number of years has been with the F. P. Newport Company, and has had long experience in handling Glendale real estate, to join him.

"WILL BE A LARGE VOLUME
The next volume of "Who's Who" is likely to bristle with such entries as "called to Marion; O. by Senator Harding as one of the best minds in the country."—Indianapolis News.

LOOKING FOR LOCATION FOR MANUFACTORY

J. A. Slippem and his nephew, A. C. Slippem, both of Los Angeles, were in Glendale last week looking for a location for a manufacturing enterprise. The elder man was in Alaska for 20 years, part of the time in government service and part of the time conducting a sash and door factory. He lived at Fairbanks, Iditarod and Nenah at different periods of his sojourn there.

LOVES HIS FELLOWMEN
"Your neighbor's name is Slippem, is it not?"
"Yes," replied Mr. Twobble.
"Why do you address him as About-Ben-Adhem?"
"He offered me the free use of his garage."—Birmingham Age-Herald.

DAMAGED

MUSIC, DRAMA AND CLUBS

To organize, to adopt a constitution, and by-laws, to elect officers and to join the State Federation of Clubs—that was the amazing amount of work accomplished Monday evening by the Glendale Music Club.

And all this in less than one hour and a half!

The meeting was called to order at eight o'clock by the temporary chairman, Mrs. Mattison B. Jones. Mrs. L. N. Hagood, the temporary secretary, read the minutes of the previous meeting, a preliminary gathering of musicians and music lovers, held on February 21 at the home of Mrs. Jones.

After a brief discussion, permanent organization was promptly voted by the twenty-five members present, and the meeting proceeded to a consideration of a constitution and by-laws.

The object of the club is the fostering in the community of an interest in music. Active members will be those who have received a degree in music or who have attained a similar degree of proficiency through private study, or who may be recommended by the board of managers because of distinguished work or some extraordinary service rendered in the cause of music.

Associate membership is open to all men and women in the community who are music lovers. They do not vote or hold office, but all the privileges of the club are theirs.

Junior and juvenile departments will be established, the junior club including members from fourteen to twenty years of age, the juvenile embracing the children from six to fourteen. These associate clubs for children will develop in the young people an appreciation of good music and will help them to retain their interest in music after leaving school, and to carry it on into their adult life.

Charter membership for both active and associate members will be held open until the next business meeting, which will take place on March 21, in the music room of the high school. Dues for charter members, both active and associate, are one dollar; after the charter membership is closed, dues for active and associate members will be two dollars. Auxiliary members (which includes the two children's clubs), will pay dues of one dollar a year.

Officers of the club were elected as follows: president, Mrs. Mattison B. Jones; first vice-president, Mrs. Katherine Shank; second vice-president, Mrs. Spencer Robinson; record-

ing secretary, Mrs. L. N. Hagood; corresponding secretary, Mrs. Charles L. Marlenee; treasurer, Mrs. Warren Roberts; directors, Mesdames Calvin Whiting, Frank Arnold and Dora Gibson. Mrs. Vivian Webb was chosen chairman of the membership committee.

The board of managers will hold its first meeting at the home of the president, Mrs. Jones, next Monday evening.

Mrs. Webb's committee on membership has already begun its work enthusiastically.

Trustee Spencer Robinson congratulated the club on this forward step, and predicted that it would mean much in a cultural way for Glendale.

Great credit for the establishment in Glendale of a music club open to every music lover is due to Mrs. Mattison B. Jones, first vice-president of the State Federation of Music Clubs, who has worked zealously and enthusiastically in the promotion of the idea, realizing the value of the socializing of the study of music, not only to adult music lovers, but even more to the young people of the community.

NIMBLE FINGERS CLUB MEETING

The Nimble Fingers Club, an auxiliary of the Mary Jane Gillette Tent, Daughters of Veterans, was to have met with Mrs. Charlotte McKee at 130 West Chestnut street, Wednesday afternoon, but owing to sickness in the family of Mrs. McKee, it will meet instead with Mrs. Robert Danner at 1631 Gardena avenue.

Mrs. Mattison B. Jones of this city, first vice-president of the Federation of Music Clubs, Mrs. John Ray, president of the Madrigal Club, Mrs. C. L. Marlenee, curator of the Tuesday Afternoon Club, Music Section, are attending a presidents' conference of the federation today in Los Angeles, at which plans will be made for the federation convention to be held at the Alexandria Hotel, May 2, 3 and 4. Tomorrow Mrs. Jones will attend the regular meeting of the executive board.

GETTING EVEN

"The doctor made me show him my tongue and it cost me \$3, but I got even."

"How?"

"In a poker game last night I made him show me his hand and it cost him \$5."—Boston Transcript.

LARGE SUM TO BE RAISED FOR IRELAND

Ireland—the island that folks forgot—has been made the beneficiary of a fund of \$10,000,000 to be raised in the United States by voluntary subscription during the next month, according to an announcement just issued by the California Branch of the American Committee for Relief in Ireland, with offices in the Security building, Los Angeles.

E. L. Doherty has accepted the appointment as State chairman; T. H. O'Neill, vice chairman, and H. M. Haldeman as chairman for Southern California. Henry M. Robinson has been appointed treasurer and C. A. Lyman executive secretary.

The campaign will be conducted in every State in the Union simultaneously from March 14 to 23. The quota for the 11 southern counties is \$150,000.

Ireland, according to data gathered by agents of the American committee, is today the most wretched land in the civilized world. It is the only place where war exists, with the attendant suffering of women and children. Thousands of men are out of employment, many houses and buildings have been destroyed, industry and means of communication are at a standstill. With the added rigors of winter, the distress is terrible.

PALACE GRAND THEATER

"The Jack-Knife Man" was the principal feature at the Palace Grand Theatre Tuesday. It is a picture full of thrills and surprises, and a share of fun as well.

A two-part comedy, "Don't Blame the Stork," was also part of the benefit for the Columbus Avenue School, under the auspices of the P. T. A.

Today's program at the Palace Grand features beautiful Katherine McDonald in her picture, "Curtain"; a comedy, "Splash Me," and Bray Cartoons.

INQUIRING ABOUT SEWAGE DISPOSAL

Dr. Teller, state health board inspector for the Los Angeles district, was in Glendale Tuesday morning inquiring about our sewage disposal plans and other matters pertaining to sanitation.

Charter No. 10412.

Reserve District No. 12.

WEDNESDAY, MARCH 2, 1921

GLENDALE DAILY PRESS

DEATH LIST IS NOW FORTY-TWO

(By International News Service)
PORTER Ind., March 2.—Recovery of additional victims of the rail disaster here Sunday night was expected today as wrecking crews prepared to lift the heavy engine of the New York Central train from the pit its spinning wheels dug as it toppled from the track. The death list this morning stood at 43, but it is believed that several bodies are buried beneath the engine.

Various investigations of the disaster, which occurred when a New York Central train plowed through a Michigan Central train at a "diamond" crossing here, also got under way in earnest today. Governor Warren T. McCray ordered the Indiana Public Service Commission to proceed at once with a thorough probe. His orders followed alleged protests of the Michigan Central Railroad Company to interfere with efforts to fix responsibility for the tragedy.

MANAGER GOODRICH TIRE COMPANY SHOT

(By International News Service)
CHICAGO, March 2.—Herbert P. Zeigler, manager for the Goodrich Tire Company, was shot and killed at 4:30 o'clock this morning in the apartment of Mrs. Isabel C. Orthwein, a divorcee. Mrs. Orthwein confessed, according to the police, that she shot Zeigler twice when he forced his way into her apartment and attacked her.

Mrs. Orthwein told the police, they declare, that she and Zeigler had been members of a party that had spent part of the evening at the Green Mill Gardens, a north side cabaret. She had quarreled with Zeigler, Mrs. Orthwein told the police, and left the party, returning to her home in the Surf apartments, one of the most exclusive on the north side.

FAILED TO PRODUCE OFFICIAL DOCUMENT

(By International News Service)
WASHINGTON, March 2.—Instead of producing the official documents and other papers bearing on foreign loans as he had promised to do, Secretary of the Treasury Houston sent word to the Senate Judiciary committee here today that he had turned them all over to Secretary of State Colby to determine whether they should be made public. Houston's action was bitterly criticized by Senator Reed (Dem., Missouri), Senator Cummins (Rep., Iowa) and other members of the committee as a deliberate and palpable attempt to suppress the facts regarding the course pursued by the treasury department in connection with foreign loans.

JUDGE LANDIS CASE CONSIDERED TODAY

(By International News Service)
WASHINGTON, March 2.—The impeachment charges against Judge K. M. Landis of Chicago were today considered by the House Judiciary committee after referred to a subcommittee. The subcommittee was instructed to investigate all of the data laid before the committee relative to the impeachment of Judge Landis and to report back to the full committee tomorrow as to whether impeachment proceedings should go on.

WON CASE AGAINST UNION PACIFIC R. R.

(By International News Service)
WASHINGTON, March 2.—J. E. Burke of New York yesterday won his case in the United States Supreme Court against the Union Pacific Railroad Company for damages for losses on a shipment of goods from Yokohama, Japan, moving to New York and lost in transit. Burke sued to recover \$17,500, the invoice price of the goods. The railroad company admitted liability, but contended that the shipper had agreed on a valuation of \$5000.

TRANSgressor's WAY IS OFTEN HARD

Ray Mullan, of Pasadena, who, in company with Raymond Walters of the same city, stole Ernest Butler's machine on the night of February 12, appeared before Judge Lowe yesterday morning. It was found he was a ward of the Juvenile Court, out on probation, so he was sent back there. He will not be 18 years old until April 3. His partner in crime is now out on \$1000 bail for his appearance in Superior Court for trial. He is but 16, and is the son of an Eastern family out here for the winter and staying in Pasadena. His father put up two \$500 Victory Bonds as bail. These two and a boy companion started out that night to visit some girl friends in Alhambra, but, not finding them at home, planned to steal a machine and go to San Diego. The companion dropped out, but the other two went ahead and came to grief.

DR. HARROWER'S NEW HOME ON BROADWAY

Dr. Henry R. Harrower took out the permit yesterday for his handsome new bungalow at 1516 East Broadway. It will have 11 rooms and is to cost \$11,000. Dr. Harrower also took out a permit for a \$250 addition to a house he owns at 113 South Belmont.

Phone 97.

SPECIAL NOTICES

NOTICE
On Wednesday, March 9, the Parent-Teacher Federation will hold its regular monthly meeting in the domestic science room of the Intermediate school. Mrs. Kate Brew Baughn, a noted home economist, will give a practical demonstration. This food for demonstration and coffee will be served. Friends and members of the Parent-Teacher's Association are cordially invited.

MOVED
E. W. Kingsley and L. T. Rowley have purchased the Service Garage and Ignition Station at 217 East Broadway. They will conduct a general repair and ignition service and also handle the Stewart-Warner specialties and used cars.

Those who desire to become charter members of the A. O. U. W., now organizing, may secure information as to rates on the whole life, ten, fifteen and twenty year monthly payment plan, by communicating with Mrs. D. Morgan, 601 North Kenwood street.

PLIGHT OF EUROPE'S CHILDREN STAGGERS

3,500,000 Facing Starvation Can Only Be Saved by America's Response to Joint Appeal.

It is utterly impossible for one who has not actually seen the misery of the early Autumn in Europe to visualize what the children of the Eastern and Central portions of the continent face this winter. To say that 3,500,000 children have no alternative to starvation or death from disease except American aid, is startling, but independent observers by the score and careful scientific surveys of the economic and crop conditions overseas brand the figure as conservative.

In Poland, for instance, where 1,308,000 youngsters last year subsisted almost entirely on the one free American meal a day that they received, conditions as winter closes down, are worse than ever before. The Bolshevik invasion stripped large portions of the country of all grain. Professor E. D. Durand, Food Advisor to the Polish government, after an exhaustive survey, has reported that only forty per cent is available of the food necessary to carry the population through the winter.

In the city of Vienna tests conducted in the American Relief Administration food kitchens showed that 52 per cent of the children between the ages of 6 and 14 were "seriously under-nourished." Thirty-three per cent were markedly under-nourished, 11 per cent were slightly subnormal and only 4 per cent approached the state of a normal American child. The American Relief Administration is feeding 300,000 Austrian children every day now, and there is no chance of diminution of need before next harvest.

The spectacle of the medical needs of Europe's children is equally appalling. Estimates reaching the American Red Cross as to needs for medical service in the destitute areas this winter include: Old Austria-Hungary, 750,000; new Poland, 1,500,000; Czechoslovakia, 200,000; Serbia, 150,000, and Roumania, 100,000. In the fiscal year of 1919-20 the Red Cross has reached with the veritable gift of life 1,500,000 children in the affected areas. Tuberculosis is prevalent to a terrific degree. Five children out of seven in the city of Warsaw, for instance, have been found to be tubercular. Typhus is widespread; rickets, the right hand of under-nourishment is almost universal, and cholera lifts its grim head constantly in one place and another.

The European Relief Council, comprising the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of the Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A., seeks \$33,000,000 with which to meet the situation. It has estimated that at least \$28,000,000 must be had for food and \$10,000,000 for medical service to avert absolute disaster among the threatened children. Checks may be sent to your local committee or to Franklin K. Lane, treasurer European Relief Council, 42 Broadway, New York, or to the Child Feeding Fund, Literary Digest, New York City.

RICKETS DID THIS.

Before this five-year-old Vienna girl was operated upon in the American Convalescent Home her leg was even more horribly deformed from rickets and she was in constant instead of intermittent pain. Now at least her leg is straight again, and by degrees she is relearning to walk. Rickets is the aftermath of under-nourishment, and it is to cut down the harrowing prevalence of such disease as this among the children of Europe that eight American relief organizations are making a joint appeal under the name of the European Relief Council for funds to succor the millions that face a winter of horror. They are the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

WEST GLENDALE IMPROVEMENTS

Permanent Organization for Local Work and Membership Drive Effected

About 35 members of the West Glendale Improvement League met at the high school Tuesday evening to consider permanent organization. Miss Barrett, the temporary chairman, presided, and called upon C. A. Read of West Broadway, who gave the report of the committee appointed to draft a constitution and by-laws. The instrument submitted by Mr. Read was simple, covering the usual provisions for such organizations. It announced the name as West Glendale Improvement League and stated that all persons resident in the territory covered by the league or owning property therein, were eligible to membership. The territory was outlined as the district west of Brand, north of Lomita, and east of San Fernando road, which Mr. Read stated, has a population of at least one thousand, a little community in itself which is seeking local betterment.

The committee departed from the stereotyped form by making provision for a committee on legislation and an advisory committee. The duty of the committee first named will consist in presenting to the league the facts in regard to legislation proposed for Glendale. The advisory committee will digest the facts presented and recommend action to be taken by the league as a body. It was explained, however, that the stand which the league may take on any question will in no way affect the voting freedom of the individual members.

The method of providing funds for the regular current expenses, such as printing, postage, etc., brought out considerable debate. Sam Davis of West Colorado opposed regular dues as likely to cut down the membership which it is desired to have as large as possible. He suggested as a substitute a financial or ways and means committee to accumulate a fund by voluntary subscriptions. Frederick Clark, president of the Oak street improvement association, said he believed the members of his organization would be glad to identify themselves with the league and pay regular annual dues of say \$1. In his opinion, an association has a better standing in the community and is more valued by its members if it costs them something and has funds in the treasury. Miss Barrett endorsed Mr. Clark's position.

Miss Barrett was elected president. Mr. Wilson, secretary, and Mr. Stevenson of West Broadway, treasurer. The league will make its bow to the public with a charter membership of ninety-four.

Spats that come within a few inches of the knee are becoming very popular.

COMING EVENTS MARCH 3

School district mass meeting at 8 p. m., Intermediate School. Special Brotherhood meeting to discuss proposed bond issue at First M. E. Church in the evening.

P. T. A. meeting at Cerritos Avenue School, 3:30 p. m. Moving picture benefit for Cerritos School at K. of P. Hall, 7:30 p. m.

Drill of Glendale Infantry Co., National Guards, in the evening on the high school athletic field. Hi-Y boys under Mr. Murphy entertain Cookman group with supper.

PERSONAL ITEMS

Miss Mercer, class teacher of the 37's at Intermediate, resigned last week and Mr. Cobb has been engaged to take her place.

Miss Shindel, teacher of English and History at Glendale High, was absent from her classes Tuesday on account of illness.

Mr. and Mrs. Schimmelfeng have taken the house formerly occupied by Mrs. H. S. Barbee at 344 Myrtle. They are from Hollywood.

Dr. and Mrs. Furst of Los Angeles, parents of Mrs. Robert Lyons and Tom Furst of this city, spent Monday night at the Lyons home at 511 North Jackson.

Mr. and Mrs. W. W. Worley, accompanied by Mrs. James Webb of St. Louis, and her father, Mr. Sneath, motored to Santa Barbara Saturday morning. The Worleys returned Sunday night but their guests continued their journey up the coast as they are now enroute to St. Louis.

Mrs. Jennie McMurray, who lived in Glendale for many years, part of the time on Windsor road and later in a new home she built at 339 West Lomita, died a few days ago at the home of a daughter in Chicago. She was in her eighty-third year. Mrs. McMurray was baptized by the Rev. C. A. Cole, pastor of Central Christian Church, when 80 years of age.

Mr. and Mrs. Fisher, who bought the Peters home at 401 West Colorado a year ago, have sold the property and with their daughter and niece will soon return to England. Mr. Fisher is much occupied just now making the cases in which their household effects will cross the ocean. They have enjoyed their stay here and will be missed by the Glendale friends they have made.

William Eckart of Brooklyn, New York, who has been the guest for several days of Mr. and Mrs. Charles Glover of 414 Myrtle street, left Wednesday for his eastern home. He is a brother-in-law of Mrs. Glover and is so enchanted with Southern California, that Mrs. Glover has high hopes of seeing him and the members of his family transferred to this state.

MARCH STARTS OFF WITH GREAT RUSH

Nearly \$40,000 in Permits First Day and Many More to Come

The building record for March is already up to the \$40,000 mark. The first day's record was \$34,700, and the first one this morning was for \$3500 and called for the erection of a five-room residence at 1033 Virginia place by W. L. Craig. The 1921 record so far is \$379,661. Many new residences and business houses are projected to be commenced in the near future. The Sam Seelig Company's new store building will make a solid block from the corner almost to Howard, with the exception of F. McG. Kelley's floral plant. P. W. Parker's two buildings on North Brand will be a great addition to that section. Broadway is getting its share, too, in the Betz, Daniel & Bor-thick building at 212 East, as well as the Cole & Damerell block and the one on the corner of Orange and West Broadway. J. K. Todd's machine shop, at 130-132 South, and David Donwell's new store building of artificial stone at 125 North, speak well for Glendale avenue. Mr. Donwell expects to start his building soon. The Seelig Company is putting up a brick building at Bell for its store No. 45, and Glendale's will be No. 50. Following is a list of the March permits to date:

Lucius I. Post, 4 rooms, 610 Salem	\$500
Henry R. Harrower, 8 rooms, 1516 E. Broadway	11,000
Oscar O. Dennison, enlarge room, 326 Mira Loma	250
A. F. Webster, 4 rooms, 331 W. Elk	2,250

GLENDALE HUNDRED PERCENT PATRIOTIC

Glendaleans want to be placed in the foreground as patriots of the first water. Their record during the war in Red Cross activities, bond subscriptions, enlistments, etc., put them in the front rank and their loyalty to the good old U. S. and its flag, has not waned. Burton and Chandler, the realty dealers, have an unusually handsome flag which they display on national holidays and which was flying on the birthdays of Lincoln and Washington.

ETERNAL YOUTH
Old Gentleman (chiding boy for picking up cigar end and smoking)—
"Throw it away, laddie; throw it away."
"Yes, and let you pick it up when I'm gone—I don't ink!"—London Mail.

BUNGALOW BARGAINS WHY PAY RENT?

3-room plastered house, close to car line. Full plumbing. Immediate possession; \$2750.

New 4-room bungalow, good street, 2 blocks from Brand. \$3500; easy terms; move right in.

Modern 5-room plastered house, bath, cellar, garage; \$3950.

6 rooms, bungalow type, built 4 years. 2 bedrooms, fine woodwork; garage. 3 blocks from Brand. Cut to \$5000; easy terms.

For a large family—8-room story-and-a-half house; 4 bedrooms; hardwood floors in living and dining rooms; good lot. For real honest value, this is hard to beat at \$5800.

8-room strictly modern bungalow, on main boulevard; a beautiful house; garage. \$6500.

This is a snap, won't last—7-room strictly modern bungalow, large rooms; elegant lot; choicest location. We can recommend this highly. \$9500.

8-room 2-story house, well built; fine location. 4 bedrooms, breakfast room, furnace, garage, variety fruit. \$10,000—A real home.

Good Values in Acreage

We have some bargains in acreage suitable for subdivision or income investments.

Fine large home, 9 rooms, 20 acres, all set to fruit, choice location, where values are sure to increase, \$28,000. This place will pay big on investment.

Twenty acres, choice location for subdivision, water, gas and electricity available. Located where little farms will sell. \$22,000.

Six acres, best soil in this district, good 5-room bungalow. Will sell \$500 per acre under anything in the vicinity. Must be sold quickly. Let us show you this.

Two and one-half acres, near Brand's, very sightly, on boulevard. \$5000.

One and one-fourth acres, Kenneth Road. For a home this cannot be equalled. \$2000.

One-half acre on Riverdale Drive, fruit, fine soil, 5-room house, full plumbing. \$4200.

Almost an acre, close to Brand, in North Glendale. Elegant location for fine home. \$3500.

Four lots in Glendale. Owner leaving town, will sell for \$2000. Easy terms.

Good lot on Myrtle. \$625.

Choice corner, large lot, fine location, surrounded by nice homes, \$1200.

Good lot, South Glendale, half block from Brand. \$900.

We want to purchase for cash good building lots not so far out. Must be priced right.

Let us write your fire insurance in a Board Company.

We can build that new home for you and finance the same on very reasonable terms.

Will build to suit.
